Theme Assignment #3

Theme Mini Fragment

Your challenge: To create new material (about three pages) that continues the manuscript that you have chosen to become your major fragment for this marking period.

You are expected to continue your manuscript from the last assignment. It should be based on one of the synopses you submitted for the first assignment this marking period. Do not submit revised material that has already been read by the instructor.

Length guidelines: Do not exceed three pages.

Format guidelines: All submissions must be double-spaced with a 12-point Courier New font and one-inch margins all around.

Assessment: Your response will be assessed pass/fail based on how adequately and appropriately it addresses the assignment.

Submission guidelines: Late submissions will not be accepted. Please upload to turnitin.com by 7:59 a.m. on the assigned due date.

Students are expected to use the steps in the writing process, including brainstorming, free writing, outlining, revising, and proofreading.

Any unique assistance in completing this assignment (including your classmates, the instructor, on-line resources, any printed material, etc.) should be noted in your declaration. I will not tolerate academic dishonesty.
